

# CLARA GROMACHES

Barcelona, Spain , 1990  
cgromaches@protonmail.com  
<http://www.claragromaches.com>

With a background as regen architect and social housing incubator I leverage the power of self-organization and decentralized technology to bring housing and land commons to mainstream to advance into having more fair, regen and sovereign societies.

## BLOCKCHAIN EXPERIENCE

### Community-Led Housing & Blockchain Consultant

Independent, remote | Jan 2024 - Present

Advising organizations, start-ups and entrepreneurs on their community-led housing (co-living, pop-up cities, permanent residences) projects using blockchain enabled mechanisms.

### DAO People Ops & Operations Lead

dOrg (service DAO), remote | since December 2021 - Present

Leading system improvements for enhanced member and client success, business development strategies and partnerships, org cross-team coordination, and optimizing DAO governance as organization runs as a workers co-operative.

### Co-founder, Product Design

Communitaz, remote | Feb 2020 - April 2020

SaaS to create and manage housing co-operatives as DAOs, project started at Blockchain for Social Impact (BSI) Hackaton.

## ARCHITECTURE AND HOUSING COMMONS

### Cohousing/Co-operative Housing Incubator

Independent, Barcelona (Spain) | since Jan 2021 - Present

Assess local administrations to promote social housing, wrapped as co-ops, as a solution to provide stable and affordable housing in rural areas. Support civil groups to promote cooperative housing with participatory design focused on regen and user-centric solutions.

### Visiting Professor at University of Girona (Spain)

Independent, Girona (Spain) | 2018 - 2021

Co-operative Housing and Participatory Design Workshop with Estel Jou. Architecture Photography Seminar with PhD M.P. Fontana 2018 & 2019.

### Architect

Auquer Prats Arquitectures, Girona (Spain) | July 2017 - Dic 2021

Development of initial and executive projects for new construction, rehabilitation, renovation, and expansion of farmhouses and traditional houses; following regenerative, passivhouse and bioclimatic principles.

### Architecture Photographer

Independent, Girona (Spain) | July 2017 - May 2023

Development of architecture and urban photography projects for studios.
